Education/Benefits of admission:

A West Point cadetship includes a fully funded four-year college education. Tuition, room, board, medical and dental care are provided by the U.S. Army. As members of the Armed Forces, cadets also receive an annual salary of more than \$6,500. This pay covers the cost of uniforms, books, a personal computer, and living incidentals. By law, graduates of West Point are appointed on active duty as commissioned officers and serve in the U.S. Army for a minimum of five years.
